

Effective Science Communication

Sam Illingworth and Grant Allen

IOP ebooks is the award-winning book programme that brings together leading voices from across scientific, technological, medical and engineering research.

This IOP ebook provides practical advice on how to publish your work in scientific journals, how to apply for grants, and ways to effectively communicate your research to both scientific and non-scientific audiences.

There are chapters devoted to constructing a digital footprint, dealing with the media, and influencing science policy. Guiding you throughout are a number of useful exercises that will help you to become a more effective communicator, providing a helping hand in your scientific journey, so that you not only survive, but prosper.

Effective Science Communication is free to read until **15 May 2017** and you can download and read this IOP ebook in EPUB3, Kindle, HTML or PDF formats.
